

## TECHNICAL DATA SHEET

### Lawn Miracle™ Grass Paint

Lawn Miracle™ Grass Paint is designed to beautifully restore the appearance of your grass color.

- EXCELLENT QUALITY
- EASY TO USE
- EASY APPLICATION
- REALISTIC GRASS COLOR
- ULTRA CONCENTRATED
- DOES NOT WASH AWAY WITH WATER OR RAIN

#### PERFORMANCE PROPERTIES

Covers approximately 1800 Sq. Ft. per gallon. This one gallon container yields up to seven gallons of Lawn Miracle™.

*\*Results may vary depending on the area treated, dilution ratio, and sprayer used.*

#### DRYING TIME

To touch: 30 – 60 minutes

To Re-coat: 5 – 6 hours

Lower temperatures, humidity, or improper ventilation will increase these times.

Allow 7 – 10 days before washing or scrubbing.

#### PREPARATION & APPLICATION

Cover all areas not receiving Lawn Miracle to avoid over spraying/staining. Protect all areas not receiving grass color as product will stain i.e., concrete, sprinkler heads, planters, etc.

#### PRECAUTION

Product may stain clothing. Avoid contacts with skin, wear proper safety glasses to avoid getting in eyes.

#### DIRECTIONS FOR USE

##### METHODS:

Mix product as directed for desired shade of green, using a sprayer, set nozzle to the flat-fan setting and adjust head until desired volume is achieved, apply product at a 70° slant covering blade leaf completely, avoid over-spraying untreated areas For lighter results, spray on the grass in a circular pattern with the sprayer set on the finest mist setting.

##### THINNING:

For dead and dormant grass, mix one part of Lawn Miracle™ to six parts of water. The desired shade of green varies depending on the dilution of the paint. More water = Lighter Shade of Green.

##### CLEAN-UP:

Clean up equipment and area with soapy water. Use warm soapy water and scrub brush to remove any overspray.

##### APPLICATION:

Dry time is 30 minutes to one hour depending on the temperature/humidity. Do not apply in windy or rainy days.

##### PERSONAL:

Paint may be irritating to eyes, nose and skin. Avoid contact with eyes. In case of eye contact, flush at least fifteen minutes and call a physician immediately.

##### STORAGE:

KEEP FROM FREEZING STORE ABOVE 50°F

MAXIMUM VOC: <50 GRAMS PER LITER

##### CAUTION:

- Avoid contact with eyes, skin and clothing.
- Do not take internally.
- Wash thoroughly after handling.
- Close container after each use.
- For additional safety information consult the Safety Data Sheet (SDS)

KEEP OUT OF REACH OF CHILDREN.

USE ONLY WITH ADEQUATE VENTILATION
